

CARDINAL POINT RECRUITING SMS PROGRAM

SMS Terms and Conditions

Recruiting and hiring text-message program

Effective Date: August 4, 2026

Cardinal Point Homeland Security Group, Inc.{CPHSG} operates this program using the public-facing sender name Cardinal Point Homeland Security Group, Inc. These Terms explain the rules that apply when you choose to receive recruiting and hiring text messages from us.

1. Program Description

The CPHSG recruiting SMS program provides recurring SMS and MMS conversational messages about:

- Job opportunities and positions that may match your interests.
- Application acknowledgments, status updates, and recruiter follow-up.
- Interview scheduling, confirmations, reminders, and rescheduling information.
- Hiring, clearance, compliance, and document-completion reminders that do not reveal sensitive results.
- New Hire Orientation, onboarding, training, and first-day information.
- Responses to candidate questions and other recruiting-related support.

2. Enrollment and Consent

By opting in to receive SMS messages from CPHSG, you agree to receive conversational messages.

By checking the separate SMS consent box and submitting your mobile number through the CPHSG Recruiting Text Consent page, or through another CPHSG form that displays the complete SMS disclosure, you expressly consent to receive conversational recruiting and hiring messages from CPHSG. Messages may be sent using automated technology.

Consent is not a condition of applying for a job, receiving employment consideration, accepting an offer, or being hired.

Merely entering a phone number on a job application does not enroll you in recurring text messages. A separate affirmative SMS opt-in is required.

By providing your mobile number, you confirm that you are authorized to receive messages at that number and understand that consent is not required to obtain services.

3. Message Frequency

By opting in to receive SMS messages from **CPHSG**, you agree to receive **conversational messages** related to your interactions with us. Message frequency varies. During an active application or onboarding process, you may receive several messages in a week. Job-opportunity alerts and other recruiting updates may be sent occasionally based on your preferences and available positions.

- **Message frequency:** Message frequency may vary. On average, 1-2 messages per week.
- **Rates:** Message and data rates may apply.
- **You can opt out at any time by replying STOP. For help, reply HELP**

4. Message and Data Rates

Message and data rates may apply under your mobile carrier plan. CPHSG does not charge a separate fee to participate in the program.

5. How to Opt Out

You may stop recruiting text messages at any time by replying with any of the following words: STOP, QUIT, END, REVOKE, OPT OUT, CANCEL, or UNSUBSCRIBE. We will also honor any other clear message that reasonably communicates that you no longer want texts.

You may also opt out by calling us or emailing us using the contact information below. We will honor clear opt-out requests received by text, email, telephone, letter, or another communication channel.

After a text-message opt-out, you may receive one final message confirming that you will receive no further recruiting texts. To subscribe again, submit a new consent form or reply START when that option is available.

6. HELP and Customer Support
